E IN THE HOLE!

Cassandra Cruz keeps herself warm by an open fire. But when it comes to her pussy, she doesn't need any help heating things up! That's because her super-charged snatch is always hot and ready to go, sizzling like a five-alarm fire. Watching her spread those roast beef curtains open and slipping a couple fingers in her hot-box, we feel like firemen ready to whip out our hose and tame that raging inferno between her thighs.

ANAL STRETCH PLAY

30151

It's all about the ass for buttfuck fanatics **Chanel**, **Sammie** and **Melissa**. Sure, getting drilled in the pussy feels good, but these buttsluts know that their two-holes will always be the Number One source of pleasure. But taking it up the pooper comes with its own risks—namely a worn out O ring. No anal babe likes it when their freshly fucked prolapsed rectum is so puckered out that it acts like a suction cup and renders them helplessly stuck to their chair, so this trio makes sure to work out their butt muscles every day to keep their sphincters as tight as they come. A gaping anus on a first date is considered bad form, especially when your buttlips are dragging behind you on the floor. That's really more of a second date thing.

KARRINE "SUPERHEAD" STEFFANS

By ROB PEREZ

ALL PHOTOS COURTESY OF VIVID CELEB

SUPERHEAD: *GUY OR GIRL WHO SPECIALIZES IN GIVING GOOD ORAL SEX. "HEAD" BEING THE SIGNATURE MOVE THAT THEY USUALLY BEGIN AND END EVERY SEXUAL ENCOUNTER WITH.*

The woman who inspired this Urban Dictionary entry, Karrine "Superhead" Steffans, had the entire hip-hop industry buzzing back in 2005, when she put all of the industry's A-list talent formerly on notice. In her tell-all book, *Confessions of a Video Vixen*, Karrine went out of her way to commit to paper all of the sizzling sexcapades she shared with a large cross-section of the celebrity hip-hop elite. The book made her an overnight sensation, but it also spawned a host of enemies. In addition to sending many of her closest homies running for cover, the book, and the fact that Steffans had named names, resulted in the immediate disintegration of several close relationships she had forged with the various men in her life, men who just happened to be the cream of the hip-hop crop.

Fast-forward to a recently released video clip promoting her new book, *Satisfaction*, in which, shockingly, Steffans reveals for the first time that many of her claims in the first book were, if fact, lies, stories she simply fabricated merely to sell her book. "I'm a writer. I write shit. The 'vixen' doesn't exist, but you can't tell people that because they don't believe that. It was all fabricated," Superhead says.

Similarly, on a massively hit *YouTube* clip the author pleads for anonymity, and continues her rant, explaining that she never wanted to be in the spotlight for what she's written. "I want to be anonymous. Authors are supposed to be anonymous. We're not supposed to be on TV. We're not supposed to be doing any of those things. We're supposed to be sitting down, getting drunk, smoking opiates, writing some amazing shit. That's what we all do. That's what makes us different than everybody else."

Clearly, her agent should inform Steffans the reason her publisher was interested in her book in the first place was because she was *someone* inside the world of hip-hop. She doesn't get the right to be anonymous, because once she becomes anonymous, instead of whom she is, her book deal goes right up in smoke.

Interestingly enough, one of the men Steffans focused on in her literary debut was the legendary MC Kool G Rap, who also just happens to be the father of her son. In *Confessions*, Karrine accused him of alleged physical and sexual abuse. Now that Steffans has confessed about the validity of her widely circulated claims in print, G Rap has responded by saying that he never felt the need to defend himself from Superhead's allegations because he found strength in the knowledge of his innocence.

THIS WOMAN HAS CHRONIC COCKSUCKING DOWN TO A SCIENCE.

"In her first book, she mixed lies with truth, and captured an audience that wasn't able to

decipher what was true from what was false," the rapper told *AllHipHop.com*. "If I feel I'm not guilty of anything, I'm not going to vigorously defend myself; I know what it is. It seemed like her story was a story and that's it. [There's] always two sides to a story. It's her story, my side of the story, and the truth. And I would consider my story closer to the truth."

So who is Karrine Steffans and how did she earn the pseudonym "Superhead"? Steffans was born in Saint Thomas, U.S. Virgin Islands and moved to Florida when she was 10 years old. Based on her first book, Steffans grew up in poverty, reportedly suffered emotional and physical abuse allegedly at the hands of an alcoholic mother and indifferent father, and was raped when she was 13. According to the tome, she ran away at age 16, began working as an exotic dancer, and lived on the streets for a month. She lived in New York and Arizona for a time, before moving to Los Angeles in 1999. When she was 17, Steffans met Nathaniel Wilson, better known as Kool G Rap, with whom she had a son. That's when her entry into the world of hip-hop would occur and change her life forever.

Steffans' close relationship with Kool G gave her immediate entree to the burgeoning hip-hop music scene. Major players soon began showing her the ropes. In 1999, Karrine Steffans made her video debut at the age of 21, appearing in Jay-Z's "Hey Papi." More video work with R. Kelly, LL Cool J, and Mystikal soon followed.

NEVER IN THE HISTORY OF PORN HAS ANYONE'S MOUTH HANDLED A COCK WITH SUCH CONFIDENCE AND TENACITY.

In 2005, Steffans hit the celebrity jackpot with the tell-all *Confessions of a Video Vixen*. In the book, Superhead gives detailed accounts of the sexual exploits she engaged in with a virtual Who's Who of hip-hop pop culture at the time. Among the names Steffans mentioned were P. Diddy, Ja Rule, Usher, Jay-Z, Bobby Brown, Dr. Dre, DMX, Xzibit, Shaquille O'Neal, and Irv Gotti. By naming names, an unwritten rule, Karrine committed the ultimate betrayal. In the world of hip-hop, secrets are sacred.

Ironically, while it's practically a requirement for rappers to rap about their sexual conquests, Steffans was the first to flip the script, so to speak, and brag about the artists *she* had sex with. With *Confessions* causing quite a stir, even her closest confidants began to feel uncomfortable. Plenty of rappers, whose association with Superhead didn't end well, feared reprisal in print. Hip-hop impresario Bobby Brown was the only rapper named in *Confessions* who officially commented on the book. He called Steffans' allegations "complete fabrication."

To make matters worse, Steffans even claimed that she had actually spared several men mentioned in her book further embarrassment by concealing the complete truth. According to Karrine, she went easy on them. "The things that I wrote are mild compared to the things that I could have said, if I was trying to be nasty." The author's recollections, it soon became known, were drawn from stacks of personal journals, private diaries, and mementos she had received from gracious hosts and lovers during her daring hip-hop days. These notes and trinkets from the past, in fact, provided the very foundation for *Confessions*. "It got to a point where I was reading this stuff and thinking, 'Ooh, that's nasty.' I was where, doing what, with who? Everything that I read disgusted me."

However, all of Karrine's recollections weren't necessarily all bad. "Every other page is about some guy that I loved. Every other month it was somebody that I met that was so wonderful." Superhead's lovers would often wire her money in exchange for her being ready to have sex with them at a moment's notice. When occasionally asked by the critics if she thought she had prostituted herself, Steffans responded, "Absolutely. I think that I have sold so much of myself for so little. I never heard 'I love you' as a child. I never felt pretty or cared for. With these men, I felt glamorous and powerful, and I did feel loved."

Naturally, there were plenty of big-name, talented rappers that Steffans chose not to reveal in her book. All probably breathed a sigh of relief that they weren't named. "Trust me," she said. "There are a lot of happy people wiping their brows right now."

With Vivid's 2006 release of *Superhead*, Steffans displays all the skills that helped earn her that remarkable nickname. Just watching this ebony goddess draw on her amazing sexual prowess and transform, right before your very eyes, into a damn-near demonic devourer of cock with freakish delight, will knock you right out of your Double Fudge Barcalounger. For the record, Superhead categorically *does* give Super Head! The XXX sex tape stars Kar-

rine Steffans and Mr. Marcus, a porn cocksman of legendary status. To say that this shorty is good at giving great head is a fucking understatement. This woman has chronic cocksucking down to a science. Never in the history of porn has anyone's mouth handled a cock with such confidence and tenacity. From the subtle butterfly moves of her hands to her uncanny ability to produce neat, well-placed salavic lube, Steffans is a champ—and boy does she know it. To quote the amazing Superhead, "This is just regular, I'm just doing my thing."

Thing is, on numerous fronts and from assorted angles, *SuperHead*

can also be a truly shameful sex tape. Perhaps most troubling is watching the total emasculation of Mr. Marcus—a buddy of ours— at the rapid-firing hands of a sex-crazed Steffans. Witnessing Mr. Marcus forced to go AWOL from SuperHead's machine gun-like mouth damn near ripped our hearts out. Marcus' palpable abject fear in the face of blowing a premature load damn near debilitated us. It's a sad, sad day, indeed, when a sexual giant like Marcus is suddenly stripped of his superhero status. Watching the well-hung Mr. Marcus genuinely lose control on-set is like watching Chuck Connors being stripped of his stripes during the opening credits of *Branded*.

Anyone with a carnal curiosity about Steffans and her serious rep should *run* to their computer, order a copy, and check out this sizzling sex tape. Truth be told, this bold bitch handles her business and gives an award-winning cocksucking performance. Guys, *Superhead* is a tenacious must-buy. Ladies, take note and step up your head game. You won't be sorry.

KAGNEY AND LOOSEY

30392

Kagney and **Kiara** like to pretend they're undercover female vice cops out on a sting. Today, they're at the beach club, staking out a cabana. There have been reports of loud screams and flying jets of jism shooting high into the air. After fucking every guy at the club, the horny cream-eating crime fighters have narrowed down their investigation to focus on one particular suspect, "Cabana" Ben. The penis-happy pair take turns sitting on Ben's face while the other plants herself onto Ben's turgid penis and rides the perp like a seasoned perv. Just when they think they've broken the case wide open, they realize that the only thing busted clean on today are their butt cherries. It's going to take hours and hours of heavy-duty plice work and investigation to find out if Ben is the one they're after, but they'll do whatever it takes to prove that a pair of horny, cum-thieving bitches can make for a pair of damn fine undercover dicks. Not a single drop of spunk will be left in Ben's balls by the time these two get finished creaming up this crime scene.

NEVER

BEEN BANGED

30301

Believe it or not, but this is the very first time **Alison** has ever been fucked...today that is. Every night before she goes to bed, she repeats a simple mantra that tomorrow is a brand new day and reality is what you make it. Even when she falls asleep with a cock inside her, Alison likes to imagine she's a nervous virgin. And every morning when she wakes up, usually with the same cock throbbing deep inside her, she gets a brand new start. Strangely enough, every time she starts over as a virgin, she always ends up being a seasoned cum slut by breakfast. "It really makes you think about life and destiny and whether we have control over what we do or if it's all predetermined by some higher power."

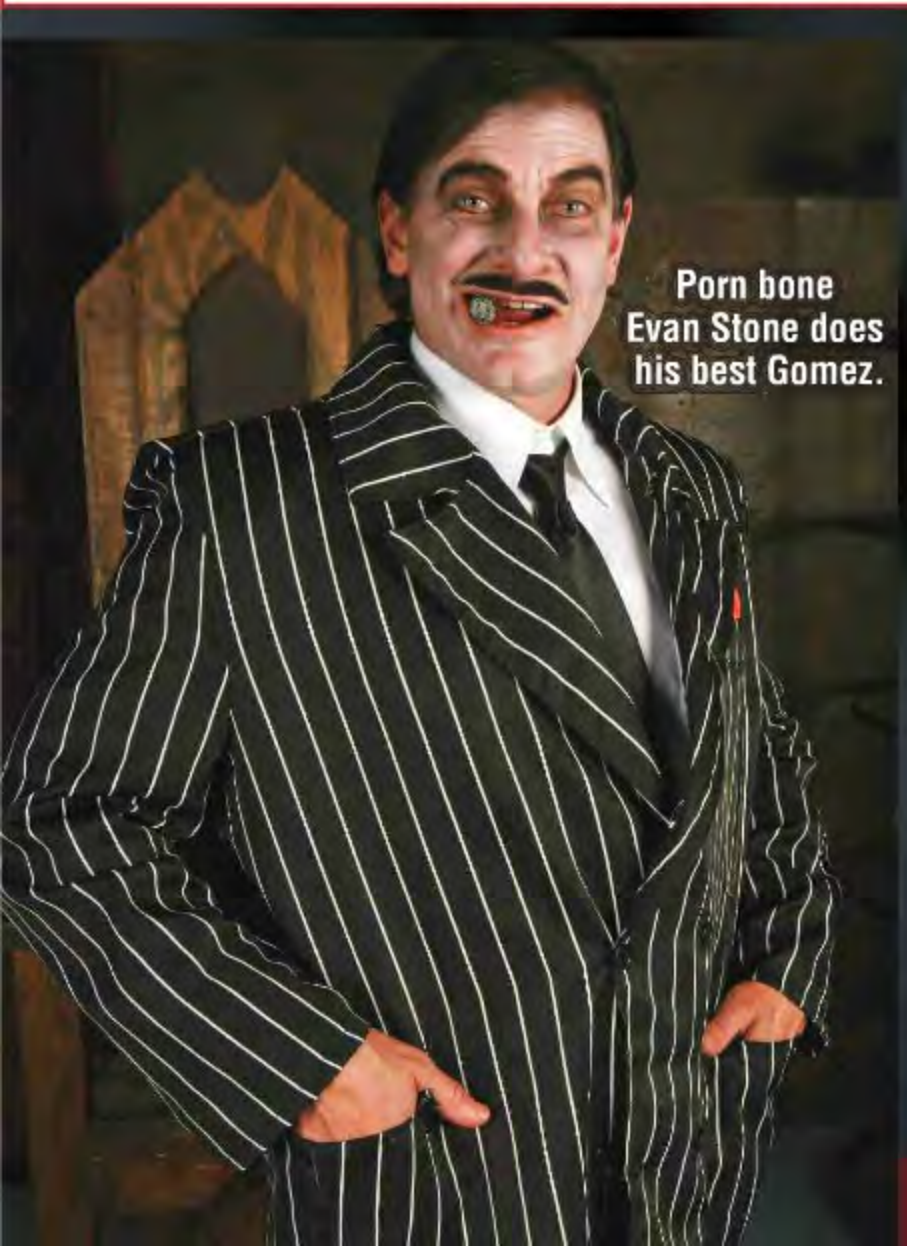
STARRING: ALANAH RAE, ALISON TYLER, AMBER RAYNE, AURORA SNOW, BRANDY ANISTON, CHARLEY CHASE, INDIA SUMMER AND NINA HARTLEY WITH BARRY SCOTT, BILL BAILEY, CHRIS JOHNSON, DICK CHIBBLES, EVAN STONE, RICHIE, ROCCO REED AND SETH GAMBLE **DIRECTOR:** RODNEY MOORE **STUDIO:** EXQUISITE

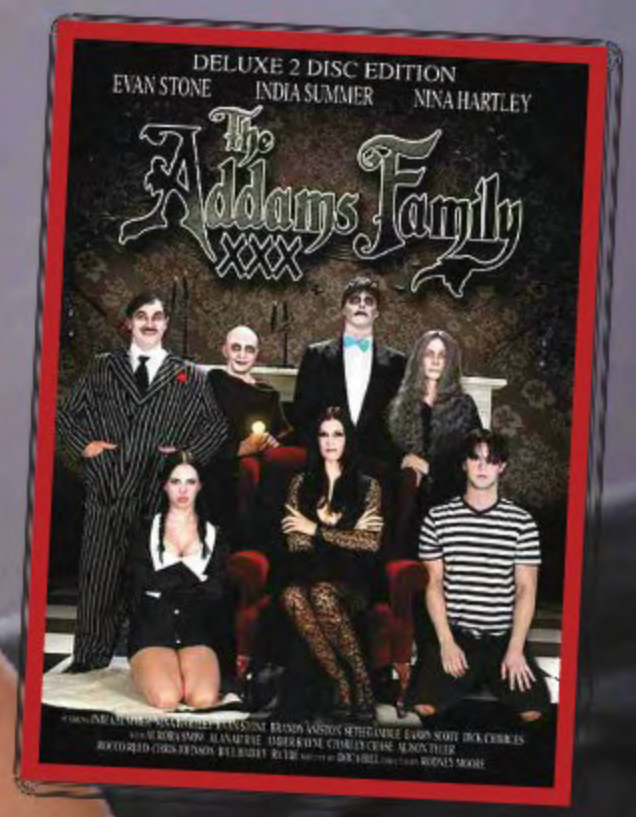


Porn bone Evan Stone does his best Gomez.

It's been reworked as a cartoon, turned into a couple of big Hollywood movies, made into a musical, adapted into a *Scooby-Doo* episode—so why not a porno? Let's face it, Morticia was hot (despite the middle name of Frump) and, one suspected, dynamite in the sack, and Lisa Loring, who played Wednesday, went on to become quite the hottie herself and held so much porno potential that she went on to marry legendary porn actor/director Jerry Butler. And we could go on for days about the hotness of Christina Ricci, who has also played Wednesday, but we only have today.

So we'll move on to our parody, directed by Rodney Moore, the man from the Northwest, known more for banging girls we've never seen before with big bushes and shooting oversized wads of jizz. Rodney makes a surprisingly easy transition

30394



India Summer's Mortica buries Gomez's rock-hard cigar in her cunt cemetery.

Insatiable Amber Rayne, channeling hired whore Samantha Swallows, takes college-bound pretty boy Seth Gamble (Pugsley) through his first Sex Ed class.

few seconds later, she is crouched in front of him taking the first wad he's ever shared with a girl.

For the much-anticipated Wednesday scene, we get a double, with Alanah Rae joining in, showing up in pigtails and a cheerleading outfit to go down on some Goth pussy, before a couple of jocks show up to give Wednesday a workout. Brandy gives the best head, not to mention best performance, of her career, and both guys are thankful for her attention. They take Brandy from behind and shove the other dick in her mouth while Alanah is left to watch. Big-tittied Brandy dirty talks the hell out of them, turning around for the guys, allowing them to trade holes without moving too far, and Wednesday gets fucked clear to Sunday while that dumb cheerleader does nothing but watch and wait for Brandy to dump the slop of both men into her hungry mouth. A rah-rah deal for sure!

Aurora Snow, who has now been around for more than a decade, proves that she can still filth things up as she swallows the pride of Uncle Fester, giving the character who would seem most unlikely to get fucked (other than the Hand) a terrific romp that has him mopping the floor with her attributes as she screams and creams until he pops his ghouly wad on her face.

But this is just stormy weather as we wait to finally see Morticia

DIRTY SLEAZE FROM ACROSS THE SEAS!

Certain evangelical ass-eaters mockingly refer to **Sasha Marie** and **Suzie** as a couple of nuts, just because they worship at the altar between the shaft and the anus. That's right, these two Euro-floozies are hardcore, fundamentalist fuckball ball-fuckers. They kneel reverently before any and all swag-swilling semen sheaths they come upon and testify in tongues to the power and the glory of a hot cum facial. Today's seed slurping sermon comes from the mouth of sister Sasha Marie, as cum pours from her mouth. Lucky for these two hole-hungry holy rollers, the only sin on their Sabbath is not swallowing and turning wad into wine is a daily miracle.

BOBBI STARR

THE HIGH SOCIETY INTERVIEW

PORN VALLEY, CA—TO SAY BOBBI STARR IS ONE OF THE BEST PORN PERFORMERS WORKING TODAY IS AN UNDERSTATEMENT. BOBBI STARR IS THE BEST PERFORMER WORKING IN PORN, AND THAT'S A TITLE *HIGH SOCIETY* DOESN'T BESTOW TO JUST ANYONE. BOBBI STARR IS THE TYPE OF PERFORMER YOU SEE ONCE, PERHAPS TWICE, IN A DECADE. IF JENNA JAMESON AND TERA PATRICK WERE THE "IT" GIRLS OF THE LATE-'90s, AND JENNA HAZE AND BELLADONNA REDEFINED PORN IN EARLY 2000, THEN BOBBI HAS MADE THE LATTER HALF OF THIS LAST DECADE COMPLETELY HER OWN. A MULTI-TALENTED PERFORMER WHO HAS PERFORMED IN VIRTUALLY EVERY GENRE OF FILM FROM GONZO TO SOLO MASTURBATION, BOBBIE CAN ACT WITH THE BEST OF THEM, APPEARING IN LEADING ROLES, COUNTLESS PARODIES, COUPLES-FRIENDLY PRODUCTIONS, AND BIG-BUDGET FEATURES.

SHE HAS MADE THE SUCCESSFUL LEAP FROM JUST PERFORMING IN FILMS TO DIRECTING THEM, AND HAS RECENTLY BEEN WELCOMED INTO THE EVIL ANGEL STABLE OF DIRECTORS [JOHN STAGLIANO, CHRISTOPH CLARK, ROCCO SIFFREDI, BELLADONNA, JAKE MALONE, JAY SIN, JOEY SILVERA, JONNI DARKKO, MANUEL FERRARA, NACHO VIDAL, RAUL CRISTIAN & MIKE ADRIANO]. HER FIRST RELEASE, *BOBBI'S WORLD*, A FEMALE POV-THEMED PRODUCTION, IS PERHAPS ONE THE MOST UNIQUE ADULT VIDEOS IN YEARS. XCRITIC EVEN CALLED *BOBBI'S WORLD*, "VERY ORIGINAL, VERY AROUSING, VERY CUTTING EDGE. YEARS FROM NOW, FUTURE DIRECTORS [WILL] VIEW THIS FANTASTIC PIECE OF WORK AS AN INFLUENCE ON THEIR OWN WORK." AS A RESULT, BOBBI HAS EARNED THE RIGHT TO CALL THE SHOTS, MAKE HER OWN RULES, BUT UNLIKE OTHER GIRLS WHO HAVEN'T EARNED A QUARTER OF THE RESPECT, BOBBI HAS EARNED PLENTY. DURING OUR CONVERSATION, SHE ANSWERED ALL OUR QUESTIONS ENTHUSIASTICALLY, NEVER GIVING US THE IMPRESSION SHE HAD BETTER THINGS TO DO. BOBBI UNDERSTANDS THAT NO MATTER HOW BIG SHE GETS, ULTIMATELY, IT'S THE FANS THAT HAVE MADE HER WHAT SHE IS TODAY. AS WE APPROACH WHAT MAY BE THE SUNSET OF HER CAREER, WE LOOK FORWARD TO SEEING WHAT BOBBI HAS PLANNED FOR THE FUTURE. SURE, WE'VE SEEN HER AT HER BEST, BUT HER BEST MAY BE YET TO COME!

HIGH SOCIETY: *Can you tell me about* The Truth About O, *the film you're currently filming for Adam & Eve?*
BOBBI STARR: It's the third in a trilogy based on the book *The Story of O*. It's basically more development of these characters that are from the book. It finds that O is a lot more complicated—not in a bad way—but the character is a lot deeper than we've known her in the past. She is submissive, but she also has her own opinion, her own personality.

"Fuck the website. Let's put this on a DVD. And let's just do this for five other scenes, and we'll call it *Shut Up and Fuck*."

HS: *When you make films like* The Truth About O, *which is more on the kinky side, what is it about a film like this that draws you in?*
BS: I started with a kink background. I started in the adult industry working for *kink.com* in San Francisco, so I am no stranger to kinky sex and all that type of stuff. So, actually, it's very comfortable for me to play this role as opposed to some other roles.

HS: *So that sort of kinky stuff you also indulge in your personal life?*
BS: Yeah, bits and pieces, from time to time. It depends on who my partner is, but yeah, I do like it. It is fun and it makes for

The only thing that's different about myself, and the porn star Bobbi Starr, is that my asshole is always clean, and in real life, it's not. [Laughs]

a very creative at-home sex life. [Laughs]

HS: *You've said on your blog that you have always been sexually adventurous. What do you mean by that?*
BS: I always liked to engage in whatever came my way, orgies, sex with strangers, or things of that nature. But, I would say, the adventure just got more interesting once I got into porn. I tried to get two guys to DP me once, in my private life, and it was a huge failure. [Laughs] It's really hard to have too many experiences when you're not dealing with quote unquote "professionals." [Laughs]

HS: *Before porn, when you were a professional musician, you said on your website, "A conservatory is nothing but a big band camp, so I explored a lot." Did you and your fellow musicians engage and hook-up often?*
BS: Like anybody does in college. I don't know of any college, regardless of the emphasis, that doesn't engage in lot of sexual activity. [Laughs] I was just taking that quote, "This one time at band camp," and applying it to a conservatory setting. I went to band camp, but I went to orchestra camp a lot more often. [Laughs]

HS: *How old were you when you first realized the power of your sexuality?*
BS: You know, I don't know, because I still sort of struggle with that sometimes. I always hear guys and girls say, "You're a girl. You can get whatever you want. You're pretty, you're so lucky. Blah, blah, blah." But, I would say there's a fine line between it working to your advantage, and it not working at all. There are times when I totally got something because I'm pretty. Then, there are other times when people are very intimidated by the fact that you're pretty. I might have had a lot of sexual experiences in college, but I talked to a lot of other people and I've been completely trumped. A lot, to me, is probably a lot less to many others. I never, ever get picked up at a bar. Unless I'm the one doing the instigation, it's just not going to happen. I would say there have been times when it has not worked to my advantage.

HS: *Do you find that guys are afraid to approach you because you're also very smart?*
BS: Yeah, I heard that, too. And that's actually really frustrating because I think there are lots of different types of smart. There's book smart, wisdom, and then there's street smarts. I think people are a lot smarter than they give themselves credit for, and also, I don't even think I'm that smart. I've met some really brilliant people in my life and I'm like, "Oh my god. You make me feel like I'm so dumb." [Laughs] So, I guess, I sort of sympathize with somebody feeling that way, but I hope that I don't do that to too many people because I know what that feels like, to feel intimidated by someone based on their intelligence. I try not to do that.

HS: *On a scale from 1 to 10, looks-wise, where would you rate yourself?*
BS: [Laughs] Sometimes a 1, sometimes a 10, depends on the day. Depends on my mood. [Laughs]

HS: *When you show up on set, do you have to feel like a 10?*
BS: No. I would say when I go on set, I want to feel like my vagina or my asshole is a 10, but my face doesn't necessarily have to be so. [Laughs] There are some days when you're asshole is just not cooperating, and it's being a real asshole. [Laughs] So it's very frustrating. It can set things behind. So, it really doesn't matter if I'm a 10, but it does matter if my asshole is a 10.

HS: *As a performer, on a scale of 1 to 10, where would you rate yourself?*
BS: I don't know if I *could* rate myself, because I don't think of myself as a performer. I'm just myself and I really enjoy it—and I really enjoy my job. Sometimes, I don't enjoy my job, but most of the time I do. I think that's what sets me aside.

HS: *Many people, including myself, would say you're the best performer working today. What qualities do you feel the best performers in porn share, in order to be considered the best?*
BS: I think authenticity. They have a more organic way about themselves.

HS: *Who, in your opinion, are the best performers—male and female—working in porn today?*

THE FUCK FACTS

Birthday: April 6, 1983
Hometown: San Francisco, CA
Height: 5'8"
Weight: 129 lbs
Measurements: 34C-27-39

BS: I would say Belladonna is still the best performer out there, even though she doesn't really work that much anymore. I think girls like Kimberly Kane, jessica drake, Dana DeArmond, Kristina Rose, Asa Akira, Lexi Belle, girls like that, I think are really fantastic.

HS: *Most of those girls are Spiegler Girls. Do you feel his agency has the best girls?*
BS: I think that [Mark] Spiegler is very picky about the girls that he chooses. I think the new girls see the older generation of girls, and they aspire to be them. So, he just constantly has this very consistent roster.

HS: *Did you often watch porn before entering the business?*
BS: No, not at all. Before I got into porn, I saw two scenes and I still don't watch it.

I tried to get two guys to DP me once, in my private life, and it was a huge failure.

HS: *Not even your stuff?*
BS: Nope. I watch the stuff that I direct, but I don't watch my performances. [Laughs]

HS: *Before porn, did you engage in lots of anal sex?*
BS: Not too much, but I guess I engaged more often than the average person. I like anal sex, but it takes preparation. I don't like spontaneous anal sex.

HS: *How was your first anal experience?*
BS: It was a good experience. I was really drunk, [Laughs] but I remember it was a good experience. I remember having fun with it.

HS: *Are you a size queen?*
BS: Absolutely not! [Laughs] I like a good size penis, an average size. But no, in my personal life, I am definitely not a size queen. Also, I wouldn't say I'm a size queen in porn. I can handle it in my ass, so I end up getting booked with these guys.

HS: *Has there ever been a guy in the business you couldn't handle anally, who was just too big for you?*
BS: I've never done Shane Diesel anally, but I've also never been booked with him, so I just don't know.

HS: *Do you masturbate often?*
BS: No, not really, I have sex a lot, so I haven't needed to.

HS: *When you do, who or what do you masturbate about?*
BS: I don't fantasize about anything. Most of the time, I just masturbate to the sensation of masturbating.

HS: *Is there anything in porn you won't do?*
BS: I don't do creampies. I don't do needle-play. [Laughs]

HS: *Besides performing, you're also an amazing actress? Did you study acting or does it just come naturally for you?*

There are some days when you're asshole is just not cooperating, and it's being a *real asshole.*
30355

BS: I didn't [study acting]. I just try to say the lines as if I was actually saying them—like they were coming out of my brain. That's really all I do. I think that comes from the authenticity thing. I just try to be authentic.

HS: *What genre do you prefer acting in, features, parodies, or gonzo, and why?*

I would say Belladonna is still the best performer out there, even though she doesn't really work that much anymore.

BS: I enjoy all of it. I think that when I do a lot of gonzo, I get tired of it. And when I do a lot of features, I get tired of it. So, I like having variety.

HS: *Is there a mainstream movie that hasn't been done yet as a parody, that you'd love to see made?*
BS: *Blade Runner*— if I could play Rachael. [Laughs]

HS: *What film roles are you most proud?*
BS: I'm pretty proud of playing Thelma of *Scooby Doo*. I think that one was a lot of fun. I'm proud of the lead I did for *A Little Part of Me*. And I'm proud of my supporting role that I did in *With This Ring*. The dialog-extensive stuff that I've done, that's the stuff for which I'm most proud.

HS: *Was Elegant Angel's* Gang Bang *the most extreme, intense sex scene you've ever done?*
BS: No, it was not the most extreme, but it was the most intense. [Actually] I've done more intense stuff, but I think a lot of it has to do with the timing. I hadn't done anything like that in a long time, so it felt really intense. I go back and say, "I remember that scene. That was really intense. I guess I'm not as tough as I used to be." [Laughs]

HS: *Do you feel that participating in porn has been a very empowering experience?*
BS: It has been incredibly empowering. It gives you the opportunity to explore yourself sexually, in a really safe environment. That's an incredibly empowering feeling to have: complete control of your sexuality.

HS: *The two films you've directed for Evil Angel,* Bobbi's World *and* Shut Up and Fuck, *have been critically acclaimed. Do you really care about what the critics have to say about your films?*
BS: I have read every review that my movies have gotten because it's really important for me to know what the critic's opinion is—and the general public's opinion—of the movie, because I am making this movie for not only myself, but I'm also making this movie for the general public, and I'm making this movie for people to like it. I totally respect the critic's opinion.

HS: *Can you talk about both films? What was the vision you had in mind when you directed* Bobbi's World*?*
BS: I wanted to do my own POV. I just wanted to do girl-girl POV. Then I was sort of thinking I want to shoot camera because I think this could be really hot. But there are so many camera angles you lose when you shoot girl-girl POV because I don't have a penis, I don't have an extension of my body these girls are messing with. The only thing they can play with is my bush. It's frustrating thinking, "How can I get around this?" That's when I decided to just shoot two cameras. And I'll shoot an external camera and that camera can get me shooting. Then it becomes this sort of real-life POV thing. It has a voyeuristic quality, like a POV. So I shot two scenes, the three-girl with Marie Luv, Ashley Fires, and me, and the boy-girl-girl with Dia Zerva, Danny Wylde, and myself. Then, I got those two scenes edited—and this was before I had the [director] deal. I guess I used that as my audition piece for Evil Angel.

HS: *With* Shut Up And Fuck, *where did the title come from?*
BS: I asked Nacho Vidal if he wanted to shoot a content trade for my website. I hadn't seen him in a couple of years, so I was really excited. So, he came over and we're catching up. Then he said, "What's the plan?" I said, "There is no plan. Do you want to have sex on the bed or on the couch? Where do you want to have sex?" He was like, "I don't care." He started kissing me and dragging me over to the couch. My videographer went, "Oh shit,

30460

he's starting." He just grabbed a camera and started shooting. So then I was thinking, "Fuck the website. Let's put this on a DVD. And let's just do this for five other scenes, and we'll call it *Shut Up and Fuck*. It's sort of having this BTS feel at the beginning of each scene, where no one really knows what's going on, no one knows when it's going to start. Then, all of a sudden, they'll be like, "We can start now?" "Yeah, stop talking. Shut up and fuck." [Laughs]

HS: *The motto for* Shut Up and Fuck *was: "No stopping, no editing, go anywhere, do anything." Can you perhaps go into that a bit more?*
BS: Yeah. It's totally raw. You see all the camera mistakes. You hear the things most people cut out. You hear and see all of it. Nacho brings me to the bathroom and my editor's dog runs out of the bathroom. [Laughs] So all the things that normally get cut out, because people view them as mistakes or interruptions, we just let it go because the sex kept going. Why interrupt the sex and have the viewer be like, "What happened?" You know everything that happened.

HS: *Would you say you're kind of a pervert?*
BS: I would say I'm totally a pervert. [Laughs]

HS: *Can you tell me what the real Bobbi Starr has in common with the porn star Bobbi Starr?*
BS: Everything. The only thing that's different about myself, and the porn star Bobbi Starr, is that my asshole is always clean, and in real life, *it's not.* [Laughs] Other than that, I don't think there are any differences.

HS: *Can you tell me what a "pro-sex feminist" means?*
BS: Yeah, but the interesting thing about feminism is that it has a really wide political spectrum. You can be a feminist, and be left wing, and be a feminist, and be completely right wing. For every person who's pro sex, there's somebody who's not.

HS: *Are you a true bisexual? In a previous interview you said, "I realized that I am a person who is more gay than straight and just likes to experiment with men." Do you identify more as a lesbian than heterosexual?*
BS: I don't identify as any label. I view people on a case-to-case basis, and if I like them, and want to have sex with them, I have sex with them. If I don't like them, and I don't want to have sex with them, I don't have sex with them.

HS: *I'm guessing when you decide to work with someone, chemistry is important. How important is physical attraction?*
BS: Less important than mental attraction. If I can have a conversation with somebody, it's a lot better than if the person is talking about things that bother me. When that happens, I prefer not to talk to the person, at the risk of them saying something that's going to turn me off.

HS: *Do you think this will be the year you win "Performer of the Year"?*
BS: I don't know.

HS: *If not you, who deserves to win?*
BS: There are a lot of really good performers right now. Asa Akira is at the top of her game. She's just really an exceptional performer. I could see her winning this year.

HS: *How much of your success is tied to your fans?*
BS: I would say a lot of it is tied to my fans. I just went to the IVD [Warehouse] Show [in Florida] and I noticed it made a total difference when I'm actually handing DVDs to real people who actually buy them. That made me realize that I really would like to do more DVD store signings, and stuff like that, to actually hand these DVDs out. Fan interaction is extraordinarily important.

HS: *Anything you want to say to your fans that will be reading this interview in* HIGH SOCIETY*?*
BS: Thank you for being a fan. It is because of my fans that I am still here.

TURBO-D

FOR ERECTION PROBLEMS

American Indians discovered miracle drugs in nature; aspirin in birch bark, quinine in cinchona, digitalis in fox glove and DAMIANA, which they used to stimulate long, strong erections. Chinese used GINSENG to increase sexual power, while Central Americans used sarsaparilla in the same way. Our formula supplants ALL THESE LEGENDARY PRODUCTS in a single capsule for daily use. We make no claim **TURBO-D** is an aphrodisiac, but we've had many repeat customers since 1974. If you have erection problems, try it. You won't be sorry.

DO YOU WANT THE SEX POWER OF A BULL?

Throughout the civilized world daily doses of natural substances called Tocopherol are given to breeding bulls to increase their sexual performance. Meaning quicker repeating erections and more powerful orgasms. This is not just a theory. It has been shown in agricultural laboratory tests that when bulls are given tocopherol on a steady basis they actually impregnate more cows. Tocopherol increases their DESIRE and their ABILITY to copulate. This phenomenon has not been conclusively demonstrated in humans...but if you'd like to WANT IT MORE and DO IT MORE...if you'd like a BIGGER STIFFER ERECTION that goes the distance. Tocopherol may be the answer for you. Tocopherol is completely safe for human human consumption and approved for sale by the Federal Government. Send for a trial supply today. You could be giving your sex life a tremendous boost.

BEER BINGE

30 DAYS OF NOTHING BUT GOOD HEAD

Story by PETER THOMPSON

Illustration by WAY$HAK

Right at this very moment there are hundreds, if not thousands, of glib, asinine bastards trolling the Internet, gleefully discussing the tang and zest of their latest bowel movements as though evaluating fine wines. Reading through their reports is like being water-boarded by a sadistic mime that lacks the decency of human virtue to actually drown you and put you out of your misery. While some of these fecal rangers are undoubtedly plain, old garden-variety poo partisans and peanut-hunting debauchees, a good many of them are fasters.

As in: fasting.

As in: Adopting an East African-like diet of bare sustenance for anywhere from 24 hours to a month or more in hopes of promoting internal cleansing, weight loss, spiritual growth and awakening.

As in: "My first elimination of the morning was loose, like wet cornflakes, and the second one burned my anus. But my XXL Zubaz pants already feel way looser."

As in: Shut the hell up, now. Please.

A popular version of a fast known as "The Lemonade Diet" or the "Master Cleanse" has been around since the 1970s and calls for adherents to drink nothing but a mixture of lemon juice, maple syrup, and cayenne pepper, as well as a morning laxative consisting of tepid salt water. The Lemonade Diet was reportedly used by light-chocolate chanteuse Beyoncé to offset her rolls for her role in the 2006 film *Dreamgirls*.

In addition to detoxifying the body, many fasters claim that skipping meals is a spiritual journey that can result in awakening and even enlightenment.

The biggest problem is that the lemon-aid tastes like a sour shit-mix of venom and virus.

I do want to achieve some kind of spiritual growth, but not if it means downing that febrile fluid every few hours. Not giving a damn about my weight or, for that matter, my health, my job, my life, but still seeking a cleansing and healing experience, I decided to substitute the liquid elixir for a known quantity: cheap beer.

For the next 30 days I will ingest only beer—for breakfast, lunch and dinner. For snacks, desserts and in the middle of the night when I wake up to a rumbling tummy, I will crack open a can of suds and gulp away until I feel enlightened. Or pass out. I will keep a diary detailing my thoughts, dreams, fears and hopes, or better yet, just a few words about how drunk I am and what I did that day. Hopefully, my diary will turn out a little better than Anne Frank's.

Beer is a very wise beverage, after all—wiser than a squalid stomach-full of saltwater and lemon juice, at any rate. As science writer Catherine Zandonella once said: "Time is never wasted when you're wasted all the time."

But before I started my blurry vision quest, I got good and drunk and made an appointment with the doctor to make sure what I was doing was safe. I had a strong hunch that it wasn't.

The doctor's waiting room was empty and unfinished and full of mismatched second-hand furniture. A single *Ladies Home Journal* from 1998 sat on the coffee table. There was a cover line—something about Teens Who Throw Tampon Tantrums. There was a doily under the issue. I had picked the number straight from the phonebook and my mistake quickly became quite apparent. I had made an appointment at some kind of cut-rate abortionist. A young black girl came out of the door holding her stomach. Her eyes were red and watery as though she'd just finished vomiting. She was tall and light-skinned and kind of cute, but under the circumstances, I decided it best not to hit on her. It looked like a weave anyway.

The lady parts doctor saw me quickly and as informally as the practice itself seemed to operate under. She was immediately dubious and almost angry that I would waste her time and mine subjecting myself to such privation and misery. Not for attribution, she informed me that, yes, a person could technically survive on nothing but beer for 30 days or longer, as barley was apparently as rich as a slice of brown bread in vitamins and, of course, there were plenty of carbs and sugar in the stuff. But, she warned, massive amounts of alcohol would dehydrate me, and I'd miss out on virtually every other necessary vitamin. Especially the Bs. I'd probably end up in the ER, she said—or the morgue.

"Or jail," I added, knowing my drinking habits and behavior patterns.

And then there was the state of my liver.

"I would do a blood test," she said. "But I won't bother because it will only add legitimacy to this nonsense that I can tell you're going to do anyway. You better make sure to drink lots of water."

Her body brushed against my knee.

I got a swift erection. I shifted it in my sweatpants so that it pointed up at her like a microphone seeking out a voice. It was impossible to miss. "So?" I said with a sly nod. "Have we got a thumbs up?"

"No," she said. "It's a hypothetical answer to a question you never officially asked."

She grimaced. I watched her eyes sweep low and back again—she was checking out my stiff rod. "How do you expect to go to work when you're hammered?" she said.

"I quit my job."

"What about driving?"

"I sold my car and blew all the money on heroin last year."

"What does your wife say?"

"She's a prostitute. We're getting a divorce."

"And how were you planning on paying for this appointment?"

"I wasn't."

She sighed. She wanted to jump on top of me and mount my dick. I could sense it.

I wanted this woman. She was wearing a tight thin sweater under her white doctor's lab coat that ached and stretched as it rolled over her perky little breasts. I could almost make out her nipples. Maybe my hard-on was getting her hot. She wore a pair of plastic '80s glasses that fit really close to her eyes. She seemed like the type of woman who carried around used Kleenex in her pocket. I gazed into her chimpy-black gems and smiled seductively.

"Why don't you get the hell out of here," she said. "Now."

She shook her head and began to walk out of the room, her ass firm and lean in her loose scrubs. "Anything else?"

"How much does a womb vacuum go for these days?" I said. "Just in case."

She took a tissue out of her pocket and snuffled into it. I think she gave me the finger.

It was October 1st.

There's nothing more satisfying than the smell of your own fart when you're drunk.

FINAL PREPARATIONS Last night I watched a documentary about an obese Aussie who had this body fungus or the Great Siberian Itch or some shit all from being too fat. He was on a high dose of the steroid Prednisone. The film showed him fasting for 60 days, drinking only juice. He lost 100 pounds and his yeast infection, or whatever the hell he had, totally cleared up.

I was inspired. If juice could cure that dude, then maybe beer could do the same for me.

Thirty-five years of hardcore drinking, drugging, and indulging every fucking ridiculous whim of mine until I passed out on the crapper, has left me a broken man in a very timid, sorry state of health—both mind and body. Fifty pounds overweight, my skin was bright pink and all the natural oils depleted. It hurt like hell to

take a shower and I had no energy whatsoever. I really hardly ever felt like getting out of bed unless I was high or drunk. I was living a slow-motion suicide. Self-annihilation was never a set goal of mine, just one that I found I was particularly good at achieving.

But I was at a point in my life where I had to make a drastic change. Nothing I did really mattered anymore. Nobody expected me to show up, literally or metaphorically, for anything. I was broke. I was lonely. I hardly even masturbated anymore. I hadn't been with a woman in over three years. The idea of fucking another girl again in my lifetime seemed a remote chance at best. I wasn't working, I wasn't sleeping, my marriage had gone to shit and I had nothing to lose.

But fasting isn't cheap, and I needed a way to pay for all the suds I would be drinking. First, I tried to find a sponsor to subsidize my endeavor, but no beer company would return my phone calls or emails after I told them what I wanted to do. One microbrewery did warn me that their beverages should be "appreciated only in moderation by responsible adults." Responsible adults? This particular set of responsible adults manufactured a product called "Skunk Penis Stank Lager."

I thought about trying to pay for the effort the way charities raise money with walk-a-thons. I'd get bars or friends to sponsor different days of my fast. But as it turned out, I'd have had better luck getting people to sponsor me jumping off a bridge, which ironically enough, was suggested as a viable alternative to my beer fast. It turns out that nobody is all that excited to have their livelihoods or identities indelibly linked with what seems like such an obvious challenge to my mortality. It's like sponsoring a terminal cancer patient for every pound of weight he loses.

Finally, I did what I always end up doing at the end of the month when the bills are due and I lack scratch: I went gambling. Lady Luck must be a lush, because I turned $100 into $650 playing blackjack and craps at the Roscoe Regency. Providence was smiling on my beer fast. It was obvious that the gods wanted me to get good and drunk for the next 30 days. To celebrate, I blew $200 on a dirty blonde Latina hooker at the new Silver brothel and then set out to drink myself into a state of nirvana.

DAY 1 I figured I would need anywhere from 10-30 beers per day, depending on the level of spirituality and enlightenment I wanted to achieve. I loaded up an entire shopping cart full of 12- and 24-packs of Guinness, Pabst Blue Ribbon, Fox Head, Old Milwaukee tall boys, Steel Reserve and Genesee Cream Ale (the farting beer). I pushed the cart back to my apartment, sipping on a PBR along the way. Total cost: $296.93. As I rolled the huge cache of hooch past my landlord he cursed me out in Spanish. I think he called me a deadbeat or told me I was going to die. I let out a loud belch and laughed.

As with any endeavor, you get out only what you put into it. So the first thing I did after unpacking my beer was to slip into bed with a beer and take a quick nap. I woke up an hour later and pulled back on a fresh can. I didn't feel very spiritually awakened after the first, so I pulled back another and took a shower, drinking while soaping up. I stuffed a few cans into my coat and went out for a walk. I was already getting hungry. My willpower was being tested just a few hours in. In most facets of my life, I'd give in immediately, but this "fast" was bigger than me. I hid behind a concrete abutment and pulled back a third beer, then a fourth. By nightfall, I had consumed about 200 total ounces of cheap alcohol. I had a journal by my bed to write down what happened and how I felt after every day. That night I wrote: "Feeling pretty sexy, Carlos" and "Once upon a time I fucked a blow-up sheep in a Manny's Inn Motel in Missouri" and then I blacked out into a buzz of drunken bliss.

Not giving a damn about my weight or, for that matter, my health, my job, my life, but still seeking a cleansing and healing experience, I decided to substitute the liquid elixir for a known quantity: cheap beer.

DAY 2 I was so hungover this morning, I nearly ripped off my dick getting dressed. After my breakfast beers, I stepped into a pair of pants and yanked them up. The zipper caught my poor penis with its teeth. More like fangs, rusty fucking fangs. I needed a drink. That was officially the first casualty of my fast—it resulted in a band-aid on my dick. Otherwise, I felt seasick that night and drank the farting beer, always certain to get a good sniff of the mad beer stink using the classic "Dutch Oven" sheet technique. There's nothing more satisfying than the smell of your own fart when you're drunk. I posted all about it on the Internet. It was a good day. I didn't give in to anything except a few glasses of water, but the beer fast had hardly even begun. I had a lot of spiritual growth to achieve before I could call it a success. I fell asleep on the floor next to the bed.

DAY 4 I woke up, my stomach growling like an angry bum being dragged by his sleeping bag off a pier into a cold February lake. I thought of my father.

I read through my journal. It was a while until I noticed a man and a woman sleeping on my floor next to the space heater. I didn't recognize them.

"Newfound empathy for strangers," I wrote. "Helping those in need." I was already becoming more enlightened. I was like Gandhi.

I felt like puking, but held it back as it is impolite to vomit in front of strangers. I grabbed a beer out of the fridge and studied the young couple. I thought about whether I'd bang the girl or not. She seemed pretty trashy, in the sense of having recently slept in refuse, not in the way she was dressed. Very borderline, indeed. I gave the dude a swift kick in the back of the neck to wake him up. The two of them bailed without even introducing themselves. They lightened me of $200 in cash I had stashed in a kitchen drawer. Fucking tweakers. No worries. I felt empowered, just like the juice fasters had reported I would.

DAY 8 I found a quote attributed to professional loiterer/magician David Blaine. "We are all capable of infinitely more than we believe. We are stronger and more resourceful than we know, and we can endure much more than we think we can."

Reading makes me incredibly dizzy. My stomach makes all kinds of percussive noises and then some kind of acid-like liquid swishes around and comes up my throat. It feels like I've eaten the contents of a hot ashtray and chased it with a chemical weapon.

DAY 11 I wake up shivering in a cold mess of ass sweat. I wrote myself a note to fuck the local newswoman on TV, if I ever get the chance, and then chucked my sheets and shorts, and took a shower. I spent half the morning cleaning my ass. Something was leaking out. Did my liver liquify?

Perhaps the most troubling phenomena is the coming of the "beer flies," these grubby little insects that fly around in horded circles just below the brink of my eyesight. I couldn't tell if they were real or just a bunch of floaters stuck in my visual field. I swatted at them until I got drunk enough not to care anymore. With the beer flies and my distended, aching stomach, I felt like a small, starving African child from one of those commercials that try to guilt you into donating 70 cents a day to keep little "Paco" from being picked apart by insects. I wrote that down as "enjoying a keen and clear case of empathy for those of other cultures in need." The sniggering beer flies came up and attacked me several times. I sprayed RAID at them, but most of it went in my face. I opened a box of Cuban Romeo y Julietas cigarettes my friend had sent me from Prague. I wandered around my apartment thinking strange thoughts: Are my toe bones getting too soft? That guy in the mirror is starting to look a little too much like Karl Rove. Is that me? Is that a mirror? Who's screwing in that van?

DAY 14 It's late. Close to midnight. I don't remember anything that happened today, but I know that *something happened* because there's a girl lying in my bed, who may or may not have Down Syndrome. I Googled how to tell if you've just banged a tard, but the only thing I found is a suggestion to put peanut butter on your dick and see if she licks it off. Funny. Still, it's worth a try. I glaze my rod with Jiff and approach the bed. I'm afraid to look her in the face. I will vio-

lently vomit a 24-pack of Lowenbrau if I spy a retard. It's so hard to tell with just a sliver of a moon lighting the room. Her face does look really round—almost congenitally so. She speaks a little funny. Maybe she's just Korean? Fucking a Korean Mongoloid is a little bit better than fucking a regular one and would definitely score big points on a scavenger hunt. Right? However, I'd never even seen a Korean retard. Do they even make them in Korean? I know they were making pretty good cars these days. I'd never actually seen a Korean with Down Syndrome. I'm certain they wouldn't let a retard drink at a bar, but this is Stevensville, so it's not exactly an A-list crowd. It could've been an all-tard bar. Do I dare unfurl the sheet and wake my slumbering extra-chromosomed lover with a kiss? I jump up and run to the bathroom to vomit. I taste fresh pussy and stomach acid on my lips. It doesn't taste like retarded pussy, but what does retarded pussy taste like? If only I could call that Corky dude on *Life Goes On* and ask him. He probably gets yards and yards of tard twat. He's like the George Clooney of the brainless. He's swimming in it. That is, if he can actually swim. Can retards swim? (*I know retard isn't the correct word and I feel bad using it, but a man with possible tard twat on his lips does not have the luxury of political correctness.*)

The girl was making strange moaning sounds. Maybe I'll be lucky and she'll die. I think about it. I can't live with myself. If she is mentally handicapped then I'll have to run for it. Eventually, she'll figure her way out the front door and I can come back, I'll have to Lysol the place down and start over. Get a new bed. New mattress. Probably have to repaint. I sneak back into the bedroom. She's snoring. My filthy cum-stained sheet is still pulled up over her head. I pray, take a deep breath and swallow two half-finished beers on my nightstand. Slowly, I pull the sheet away...It's bad. Different. She's not retarded after all, though it's more of a judgment call than a genetic one. She's Leah, my grandmother's 4 foot 6 inch Mah Jong-playing friend. She's an elderly Chinese midget. God, what is she...65 years old? No wonder that pussy was so grainy and dry—it must've been covered in dust. She's missing a front tooth. I must've met her at Dice World. I start to remember a little. I remembered playing three-hand poker next to her at one point. I was out of money and I was drunk, so I started flirting with her for fives; I was actually trying to flirt with the young brunette girl sitting to my right. But then I started talking to the geezer. Things must have gotten out of hand. Damn this beer fast! I wish I had gotten into a wreck on the way home and killed us both. Wait a minute. I do remember hitting something. The brunette?

I am close to full-on crazy. I can hardly speak and when I write I have to say the word out loud.

"Come heel back to bed," she coos, wearing nothing but her thick glasses with their dangling chain. I don't know what else to do, so I go back to bed.

Today, I learned not to judge people by their age, handicap, looks, proximity to the grave, or whether their chronic COPD and emphysema prevents them from getting enough suction to give a proper blowjob. I will no longer use the word "retard," especially when describing elderly Chinese women. I am slowly becoming a better, more self-actualized individual, and beer is to thank for all of it.

DAY 15 I sent Grandma Chow home in a cab and shoved all my sheets into a bucket outside and set them on fire. My granny called around 10 to feel out if I wanted to see Leah again. A gentleman doesn't bang the elderly and talk about it. I pounded the Steel Reserves, looking for a lift. I got into the shower with a brown bottle of hydrogen peroxide and poured it over my dick hoping to get the antique pussy juice off. It bubbled and ran down into the drain where it fizzed. I needed a drink, bad! I'm starting to get the shakes first thing in the morning. I soaped up for an extra long time, got dressed, and went over to Billboards, my local bar. I ordered my breakfast, a Guinness with a Jim Beam chaser and started feeling a little better. This fast was meant for spiritual enlightenment. I wondered if eating pussy counted as breaking the fast? I had the fat Aussie's Facebook information and sent him a letter telling him what I was up to, posting the pussy-eating question. He failed to answer. It must have meant that the answer to all my questions was already inside me. I was so close to a breakthrough. Plus, I had lost 13 pounds in vomit and blood weight alone!

I couldn't get the putrid taste of the old Chinese broad out of my mouth. It felt like I had scraps of gash on my lips for the rest of the day, no matter how much I licked them. Menopause tastes like death. I needed to get really fucking drunk to forget about my Poon Dynasty conquest. I needed to find a woman under the age of 40—under 20, a girl without arm wattles or one long white hair on her chin. Not so easy a task in the bars of Stevensville, a frontier-town-type spirit still dominates the place. Anything with a vagina is considered hot. Banging Chaz Bono's bedsores would be considered a grand prize. I could go back to one of the local whorehouses. Certainly there would be other, younger women in the whorehouse, but I didn't really have the money. I stopped off at the grocery store and bought a 12-pack of some bullshit frat-boy beer with caffeine in it. When I got home, I took a pair of scissors and began peeling and scraping the skin off the bottom of my feet, until they bled all over the bare mattress. This was a journey. I had made it halfway through. I tried to meditate, but every time I closed my eyes I saw a casket close and dirt being shoveled on top of it. I couldn't move. I stayed that way until morning.

DAY 16 Despite waking up shaking harder than Michael J. Fox at the Ice Capades, I know that today is a good day. I looked in the mirror and my skin looks blue-green, but the sacs of liquor and pus that had been forming under my eyes are mostly gone. I chugged a six pack this morning in less than five minutes. Rock legend Alice Cooper once claimed to drink an entire case of beer every day. And he was skinny and still going. He looked, if not good, then surely vital.

I vomited, put on some sweatpants, and headed out for the Salvation Army to find some old records. I wanted something to hang on my wall, so I could better focus my meditative efforts. There was nothing there but a bunch of religious shit and some Jim Nabors material. There were these large mirrors at the front of the store. I looked into one and felt my body being sucked inside. My heart stopped for a second and then my head began swimming in panic. I was going to die. I felt a pain in my chest that seemed to radiate into my arm and then my jaw. I needed to go to the hospital. I got outside and yelled for help. Somebody heard me. He cupped his hands and yelled back "Fuck you, asshole!" then slowly walked across the parking lot to his car. Nice people here. I headed for the pool hall, where I knew they had a bar and dark lights.

A large territorial mother bear tried to bar me at the door, pointing out how drunk I was. She seemed to know me, but kept calling me Christian. Then the phone rang and she waddled over to get it. I took a seat at the bar and ordered a pitcher of Newcastle from her pretty daughter. She looked good now, but if there was any truth to Darwin, she was going to go to shit in about seven years. One kid and she'd blimp up to 300 pounds and then she'd be the one waddling to get the phone. And she'd still want me to take the trash out and do shit for her, even when she got all fat and nasty. That just wasn't acceptable to me. I was learning my boundaries, another beer fast bonus.

I realized I was scowling at the poor kid and forced a smile. "The man who marries you will be in for a huge surprise," I said. I winked at her. She

rolled her eyes and walked away, making my change. Big Momma came around the bar and put her giantess claw on my shoulder. "Ashley gots a boyfriend in the marines," she said.

"What company?"

"What company? You couldn't serve a tennis ball, let alone your country," she said. "Finish your pitcher and get the hell out of here, Christian."

"I served my country," I said with a grand salute. "Soup." I took a long pull of the Newcastle. "At the soup kitchen. For like an hour. It was community service."

Mama Cass came back over, grabbed my half-full pitcher and pushed me off the stool. "Out!" she said. "Or I'll call the cops. We've got you on tape urinating on the jukebox."

I had no idea what she was talking about. Sometimes I'll go into a bar bathroom and try to help out by pissing in the trashcan. My urine stream melts the paper towels and compacts the rest of the trash down to size. Certainly my karma is good. Why would I piss on a jukebox? These spiritual questions, these Zen Koans were starting to get to me. Was Big Fat Momma my roshi, my teacher? Or did she just want me to get as far as fuck away from her bar? Soon enough, two really polite policemen came and escorted me out, put me in their car and drove me to the drunk tank. The radio played a Nickleback CD. Horrible people. It's like they wanted me to vomit.

DAY 17 I woke up with the DTs in the Starr Blvd. Drunk Tank. I had nothing in my pockets. They went through the Roll call around 5 a.m. the next morning and had each guy blow into the alcoholic testing meter. It seemed as though some of the guys slept there every night and then simply went off to work from there. My turn finally came to blow. I blew a .25. They put me back into the tank. I couldn't leave until I blew under a .08. It took all day to get me legal. I was being taught the art of patience. Another great lesson the wise hops of beer taught me.

Walking home from the cop shop that night I had an epiphany, a Satori, a moment of enlightenment. I was looking up at all the stars and thinking about just how vast the universe is when an old white Caddy blaring Eddie Money almost plowed into me and broke my legs. It was Gabe from the drunk tank. He was loaded again. He had hit a royal flush for $1,100 and quit his job. He took me down to the Rock-Stone to play some blackjack and get wasted.

"I thought you told me you worked for the state?" I said.

He nodded.

"And you were only a few years away from retirement?"

At that moment, beer taught me that desire is the root of all suffering. Sure, Gabe had won $1,100, but he had left a high-paying gig with the state and a nice pension just for an afternoon of fun. He lost his $1,100 hitting a 12 against the dealer's Ace.

I never heard from Gabe again.

DAY 23 I am close to full-on crazy. I can hardly speak and when I write I have to say the word out loud. My cell phone rings. "Maybe it's Make-A-Wish," I think. "Maybe they're ready to talk corporate sponsorship." The beer flies were back. This time the swarms were so thick they made it hard to focus on anything. I even saw them with my eyes closed.

My friend, Colin, from college called me up that afternoon. He was going to be in San Francisco for a conference during the last leg of my beer fast. I agreed to meet him as I agree to meet anybody, anywhere when I'm drunk.

But wait. I can't fly because of the terrorist-inspired three-ounce rule. Greyhound quickly becomes the only viable alternative. I fill a water bottle up with 100 proof vodka for the special occasion. I rode over the Sierras in the filthy stinking bus bathroom, just inches from a pile of mashed poo, sipping my vodka. The beer flies rode with me. Some had sad faces.

Fasting is a centuries-old symbolic demonstration of devotion and worship. I was not going to give up until I had a full-on spiritual experience. I am so hungry I have lost the words to express it anymore. Every time I get hunger pangs, I shotgun a beer. Sometimes it stays down, sometimes it comes shooting back up. I could no longer tell the difference between the taste of beer and barf. There was a great lesson in that—everything is in essence, the same: beer and barf, night and day, dick and pussy.

We hurdled down the west side of the mountains toward Sacramento and I leaned down between my knees and vomited onto the fecal mass of port-a-potty poop. I vomited into the sink. When the hell did I eat Cheetos? I vomited against the wall. Was that a spleen? Everywhere in that two-by-two space was covered in vomit. It was an inch thick on the floor. I got up and exited the bathroom and sat down in my seat as though nothing had happened. A few minutes later, I watched a mom leading her kid back toward the bathroom. I counted down from five: Four, Three, Two, One! She screamed loud enough to stop the bus. The bus driver actually stopped the bus on the Interstate. The entire bus began to smell like vomit. People were feeling nauseous. I was feeling okay. There was no lesson in that. Puking violently in a Greyhound bus bathroom is going to have its own set of consequences, none of them any good. People were crying and gasping for air when they were finally allowed off in Sactown.

DAY 27 I sat on my bed in a hotel on Warren Street, meditating with a hangover and the taste of paint thinner in my mouth, while Colin attended a business conference. I wrote, "Beer-fasting is not an inconsequential mini-series, but a long, drawn-out sea voyage that begins and ends with full-on self-mutiny." I noticed that my fat rolls have greatly increased and I feel more doughy.

"Beer fasting is, most likely, not a very physically healthy thing to do," I concluded. "But spiritually, I have gained so much knowledge." I polished off a 12-pack of Beck's before Colin got out of his meeting and then we hit the town for drinks. I got kicked out of a place for going behind the bar and serving a customer. I don't know why I did it. I guess I saw a brother in need of spiritual enlightenment and I became possessed with the Holy Spirit of holy spirits. No matter, there are thousands of bars in San Francisco.

DAY 29 Back in Nevada, I stepped on a scale at a Rite-Aid after guzzling a can of something silver. I have now gained almost 20 pounds of pure Kobe Beef-style beer fat in one month. If somebody wanted to butcher me and cook me up, there's no doubt in my mind I would be delicious. My pulse is a jumpy 100 beats per minute. My blood pressure is 165/100. I buy a pack of store-brand vitamins for my post-fast transition. My joints ache. I black out while walking home and wake up drinking on my neighbor's futon. I am almost done with this awesome journey. I have guzzled over 500 beers of all shapes and sizes in the past month. I have lived hard, loved a geezer, and learned not to vomit inside a bus. One more day.

DAY 30 Finished. 30 days! I thought I had learned all kinds of spiritual things, but after rereading them this morning, I realize I have learned absolutely nothing. Nothing. And I've achieved even less. There is no climax here. No "*Aha!*" moment. No enlightenment, just a notebook full of drunken gibberish and an old lady who might be carrying my child. Beer Fasting is a terrible thing to do. Nobody should subject himself to such a yoke of misery. I closed my notebook for the final time. My head spun. I reared back and threw up all over it—a fitting end to a ridiculous assignment. Beer Fasting got me fatter and made me ache in more places than I thought I even had. It cut my energy in half, made me 10 IQ points dumber, and brought me closer to death than I had ever been. It even caused me to screw a woman with osteoporosis. If you're thinking about doing a Beer Fast of any length, think twice. And then think again. A Beer Fast is not a quick fix for anything that ails you.

I have guzzled over 500 beers of all shapes and sizes in the past month. I have lived hard, loved a geezer, and learned not to vomit inside a bus.

Maybe that's the answer—a Beer Fast is not about achieving some kind of fast and quick answer to the universe. It is a riddle with no answer. An enigma. Ah, fuck it. Let's be honest here: It was just a pretty obvious excuse to sit around and get smashed for a whole month.

Total cost for 30 days including beer, bail, court fees, cabs, medical checkup, bar bills, theft, and other assorted bullshit: $1,049.89.

I think I need a fucking drink.

GIMME THE FINGER

30482

Giving someone the middle finger is a common gesture understood the world over to mean "Go fuck yourself." But when **Angelica Black** flips herself the bird she's only asking for a hand, or a finger—someone to ram a dildo up her ass or tighten her ball gag or otherwise assist the horny brunette in achieving ass-numbing orgasms. A girl can only fuck herself so much with just one set of hands, after all. So Angelica hired an extra pair, whose sole job it is to lend a hand or a fist or a finger whenever needed. And with a sex drive like Angelica's, her hired hands are never left to linger. Her helping hands are put to the test like an old-fashioned telephone switchboard operator, plugging dildos and digits in and out of Angelica's ass and mouth and pussy until the insatiable slut releases all her sexual tension in pussy-squeezing satisfaction. Looks like Angelica's going to need to hire a second pair soon.

SPREAD 'EM

Nicole looks smart in her glasses—smart enough to stick two fingers in her pussy instead of one! You see, this babe is no dummy. She knows how to get herself off with maximum pleasure. Touching herself and writhing around on the bed in her silk stockings, Nicole stretches her hole and plunders that pussy 'till the sheets are soaked and her hole is thoroughly satisfied!

COMING IN MAY HIGH SOCIETY ON SALE FEBRUARY 21ST

May's edition of **HIGH SOCIETY** is swimming in pussy, starting with this twat-licking trio of bubble bath beauties who take a splash and tongue some gash! Follow that up with a luscious Latina named **Lana Lopez**, who gets all moist and drippy between her thighs. Then porn star princesses **Bree Olsen** and **Kayden Kross** swap a cock (and body fluids) in a cum-drenched copulation sensation! Plus check out **Chanel Preston** finger-fucking herself in the front seat of her car and making the dashboard all sticky. This and plenty more poon-tang in a special wet edition of your favorite porn mag—don't miss your next copy!
